

Pneumatic Equipment	
	<p>NUMATICS: Direct, solenoid pilot, air pilot, poppet and manual pneumatic directional control valves. Air logic systems, flow controls, Device Net/Profibus/remote IO electronic products.</p> <p>NUMATION: Slides, grippers, gantry slides, rod less cylinders</p> <p>ACTUATOR: NFPA aluminum cylinders, NFPA steel cylinders, compact, air/oil tanks, ISO, miniature, stainless steel non-repairable interchange cylinders, metric cylinders and non NFPA aluminum interchange cylinders. Full stainless NFPA tie rod and OEM cylinders.</p> <p>IN FITTINGS: One touch, nickel plated brass, NPT, metric, world thread. Flow controls, tubing, slide valves, mufflers, silencers and full stainless steel one touch fittings.</p> <p>FRL's: Modular filters/regulators/lubricators. Coalescing filters, mufflers, auto drain valves, lock out valves, precision regulators, slow start valves and ASME filters.</p> <p>www.numatics.com</p>
	<p>Pneumatic Fittings: Resin body one touch pneumatic fittings, metric, inch, compact, G thread, flow controls, rotary joints, stop fittings, check valves, banjo fittings, and polyurethane tubing</p> <p>Brass Fittings: Brass pipe fittings, reducer bushings, nipples, street elbows, and QD's. Up to 1" NPT.</p> <p>www.fluidsystems.com</p>
	<p>Polyurethane, Nylon, Polyethylene, PVC, weld splatter resistant, ribbon tubing, custom bundles and coiled tubing in many colors, sizes and styles. We stock in bulk lengths. Stock tubing available in any length. Private label available for volume.</p> <p>www.freelin-wade.com</p>
	<p>OHSA approved pneumatic safety controls. Total Machine Safety - LOTO valves - stainless steel LOTO for wash down applicator. Control reliable products.</p> <p>www.rosscontrols.com</p>
	<p>One touch to connect plastic/resin body fittings with easy to release elliptical sleeve. Teflon-coated thread requires no additional sealing. Speed controllers, rotary joints and compact fittings in inch and metric. Large FSC warehouse inventory for immediate delivery.</p> <p>www.spctrade.com</p>
	<p>Vacuum generators, cups, cup fittings, sensors and accessories. Chip pumps, multi stage pumps, large pumps, single stage pumps and transfer pumps.</p> <p>www.edcousa.net</p>
	<p>Brass pipe fittings, steel fittings, cast iron fittings, ball valves, fittings, valves, clamps and accessories for hose, pipe and tube. Brass, steel, stainless steel, and plastic.</p> <p>www.midlandindustrial.com</p>
	<p>Aluminum and stainless steel NFPA and specials. Cylinders, 1.5" to 8" bore. Normal 2 day delivery.</p> <p>www.pneumaticcylinders.net</p>
	<p>NFPA Cylinders, Grippers, Pancake Cylinders, Multi Power Cylinders, ISO cylinders, slides and rotary units.</p> <p>www.fabco-air.com</p>
Pumps & Compressors	
	<p>Industrial duty fractional horsepower air compressors and vacuum pumps. Oil-less diaphragm, piston and rotary vane pumps.</p> <p>www.rtpumps.com</p>
	<p>Rotary vane vacuum pumps, rotary vane combine vacuum-pressure pumps. 1 - 40 HP</p> <p>www.qd-elmorietschle.com</p>

Hydraulic Equipment	
	Steel NFPA pneumatic & hydraulic cylinders. 1.5 bore to 20" bore. www.lynair.com
	Steel NFPA pneumatic & hydraulic cylinders. 1.5 bore to 20" bore. www.milwaukeeecylinder.com
	D03, D05, D08 solenoid, manual and pilot operated valves. Hydraulic power units, pumps (gear, piston & vane), sibplates, manifolds, flow controls, sandwich valves, cartridge valves and filters. www.hyvair.com
	Standard and custom hydraulic power units. Electro hydraulic, solenoid, and modular valves available in D03, D05. and D08. Pressure compensated variable vane and piston pumps. Subplates, manifolds, bolt kits and accessory items. www.continentalhydraulics.com
	Hydraulic Filters and Accessories. Pressure, Return Line & Suction Filters, Interchange Elements. www.mpfiltriusa.com
	Hydraulic reservoirs, filters, C-Face adapters, motor and pump couplings, suction strainers, and level gauges. www.magnalloy.com
Specialty Products	
	Safety quick disconnect industrial interchange, blow guns, compressed air piping systems 20m to 80mm. www.prevostusa.com
	Structural aluminum extrusions - what do you want to build today? Inch - Metric sizes and Bosch cross over. Rapid delivery at a competitive price. www.tslots.com
	Aluminum Mounting Systems www.swivel-link.com
	Plant Safety. Light Curtains, Safety Mats, Safety Edges, Sensing Bumpers, Laser Scanners. www.tapeswitch.com
Misc. Equipment	
	Lever less limit switches, stainless steel and explosion proof. End of stroke sensors for hydraulic cylinders. Defender turbine trip switches. UL and CSA approved. www.goswitch.com
	Electrical connectors, sensors, timers and accessories. www.canfieldconnector.com
	Gauges 1.5" to 4.5". Utility instrument, stainless steel. Quick delivery. Superior Quality. Competitive Pricing. www.picgauges.com
	Two-hand no-tie-down. Electric & Pneumatic. www.rencocontrols.com
	Nu-check, Dual-check, Air-fuse, Grip-clamp. Pneumatic pilot operated checks and flow fuse. www.aladco.com
	High Pressure, return line, spin on. Beta Rated. Element interchange www.ufihyd.com
	Quick connect couplings for multi-tube connections. Push to connect or threaded options. www.twintecinc.com
	Leak test connecting solutions for pipe thread, SAE ports, flanges, internal threads, tubing and hose bars. Automatic and manual configurations available. www.fastestinc.com
	Experts in pneumatic proportional control. www.enfield.com
	Air line hose, fittings, couplings, and accessories. www.coilhose.com
	Hydraulic manifolds in aluminum and steel. Standard and custom sizes available www.daman.com
